One day IBM workshop On **DB2 and RAD tool**

1-Day IBM workshop has been conducted in School of Computing on 19th Jan 2012 in Sravanthi Seminar hall. The IBM resource person of the workshop is Mr. Rathnam. In this workshop he covered Installation of DB2(Database Software) in Morning Session and RAD(Rapid Application Development) and WebSphere in Afternoon session followed by how to use these tools. The tools are used in TGMC(The Great Mind Challenges) Projects for the students. For this workshop around 120 students from III B.Tech,IV B.Tech and MCA and 10 faculty members were attended. The program was coordinated by Ms. P.Jhansy Lakshmi and Mr.G.Sridhar Reddy, Asst.Prof. of CSE.
