

16 -17 March 2018

Dept of Mechanical Engineering

Department of Mechanical Engineering organized an industrial visit to Kumar Pump industries for II Mechanical Engineering students. The main aim of the visit

was to provide practical knowledge on materials and manufacturing process. This visit helped the students to get the exposure towards various Manufacturing

Process such as Casting, CNC machining, Automation and Electrical Winding and Assembly operations of all the components of electrical motors and Pumps.

'Take a leaf out of Rudrama Devi's book,' the young were told

On the eve of Womens Day, Dr. B. Nageswara Rao, E-Cell Director Delivered an Entrepreneurial Talk at Vignan's Nirula Institute of Technology & Science for Women, Palakaluru, Guntur. As a part of three day (08-10 March 2018) Entrepreneurship Awareness Camp Sponsored by DST and organized by E-Cell VFSTR Deemed to be University was inaugurated by Dr. Prabal Mall, Ex.Vice President, INTEGRA, Pondicherry and Dignitaries of Vignan's Institutes lighting the lamp. During inaugural speech, Dr. B. Nageswara Rao, Director, emphasized the importance of bringing women entrepreneurs

to keep at fore front of this entrepreneurial eco system. He also advised the participants to acquire the required skill set while mingling with different people. The university is facilitating with no registration fee, as a part of it's service to cater to the needs and requirements of young entrepreneurs. He appreciated the efforts of the chairperson of Vignan Group,

Rani Rudrama Devi who have struggled hard to achieve success. During the first day session, as a guest speaker Dr. B. Nageswara Rao, carried out the session on Camp objective, and present scenario including both regional and global entrepreneurs. More than 100 Girl students were attended and got motivated by the session talk.
